### SNACKS

It is very important for our students to have a small nutritious snack during the Sunday school program. This helps to feed the brain as well as the body. Therefore, we request that parents send a drink and perhaps some type of cheese, cracker or fruit with your child each Sunday morning.

**ALL SNACKS MUST HAVE THE APPROVED KOSHER SYMBOL ON THE PACKAGE.**

**Nut-Free Zone:** Chabad Hebrew School and Eastside Torah Center is a nut-free building. Any products containing nuts will be discarded immediately.

Below are some kosher certification symbols that are approved. You can find a complete list on the Seattle Vaad’s website at [www.seattlevaad.org](http://www.seattlevaad.org). If you have any questions regarding a symbol, please contact us for clarification.

Any questions in this area, please feel free to call us at (425) 957-7860.
